

CORPORATE SPONSORS 2023

THE JACKSON HOLE CHILDREN'S MUSEUM

Founded in 2011, JHCM is unlike any institution in Teton County and is unique from most children's museums around the country. We serve over 90% of all K-5 children in Teton County. Through art, play, and science programs we foster happy children, creativity, and scientific literacy. Through these foundations, we believe that children are more likely to live a life filled with love and joy.

SPONSOR IMPACT & RECOGNITION

Sponsors of the Jackson Hole Children's Museum increase brand visibility through exposure to tourists and local residents.

With over 10,000 visits per year, thousands of email subscribers, and thousands of happy children and families served through our programs. The digital and in person reach is broad and significant with great emotional appeal.

Gifts are utilized to provide access to programs, sustainable staff salaries, and the underwriting of exhibits.
